

Fall Lawn and Garden Maintenance Guide

Getting your home ready for winter can help you save time and money

- ◇ Rake leaves off lawn
- ◇ Remove annuals from planting beds
- ◇ Cut back perennial plants
- ◇ Mulch around or cover sensitive plants
- ◇ Dig out non-hardy bulbs and tubers, store in Perlite or sawdust
- ◇ Fertilize and reseed lawn
- ◇ Winterize lawn mower/gas powered equipment, properly dispose of oil and gas
- ◇ Get the snow blower ready
